

Forecast For Grampian
Issued by Met Office Aberdeen
at 1600 on Monday 11 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Rain, snow clearing then icy, cold with sunny spells Tuesday.

This Evening and Tonight:

Rain and hill snow clearing southern parts then mostly dry with clear periods and a sharp frost and likely icy too. A few wintry showers, these mostly over north Aberdeenshire where northwesterly winds will be fresher . Minimum temperature -4 deg C (25 deg F).

Tuesday:

Most places will be dry with long sunny spells but a few wintry showers will continue in north, towards Fraserburgh. Icy start, then a cold day, but northwesterly winds easing. Maximum temperature 4 deg C (39 deg F).

Outlook for Wednesday to Friday:

Dry, cold much of Wednesday with some sunshine. Rain and hill snow arriving overnight and continuing much of Thursday, but snow increasing to lower levels. Drier, brighter weather following Friday.
